1717 Bissonnet vs. Penelope Loughhead, et al

Justices:

I have been working diligently on this Reporter's Record in between other trials, hearings, etc. I have completed the testimony portion of the Reporter's Record, but there are over 4,000 pages of exhibits, including some videos. I would like to request additional time to scan the exhibits, bookmark them, index them, and upload them and then finalize my master index. I would like to have the week between Christmas and New Year's to work on this, as we will not be in trial that week. So I am requesting a FINAL extension to January 2, 2015. Your consideration is appreciated.

Sincerely,

/s/:Sheri Ullrich
